NOTIFICATION.

*Fort St. George, August 1, 1929.*

*No.* 89.—The following Government Order is published :—

G.O. No. 560, FINANCE, DATED 1st AUGUST 1929.

READ—the following papers :—

(i)

G.O. No. 299, Finance, dated 12th April 1929.

ABSTRACT.—Fundamental Rule 116—Revised rates of contribution—Note inserted.

(ii)

Letter from J. SANTOS, Esq., Assistant Secretary to the Government of India, Finance Department, to all Provincial and Minor Local Governments, dated Simla, the 17th May 1929, No. F. 1-XI-R.I/29.

[Revised rates of contributions for pension and leave-salary payable during active foreign service.]

I am directed to invite a reference to this Department Resolution No. F. 81-R.I./24, dated the 11th February 1929, and to communicate the decision of the Governor-General in Council on the following points which have been raised in connexion with the application of the revised rates of contributions for pension and leave-salary published in the Annexure to that Resolution :—

(1) The term "active foreign service" used in the Annexure is intended to include the period of joining time which may be allowed to an officer both on the occasion of his proceeding to and reverting from foreign service, and accordingly contributions are leviable in respect of such periods.

(2) "Length of service" means the total period running from the date from which service for pension commences or is likely to commence, including service counting for pension under Articles 370 and 371, Civil Service Regulations.

(3) The sterling rates of pension contribution shown in the Annexure should be converted into Indian currency at the uniform rate of 1*s.* 6*d.* to the rupee.

(4) The revised rates of contributions are intended to apply, with effect from the 1st March 1929, to all Government servants transferred to foreign service on or after the 27th January 1922, subject to the exception mentioned in paragraph 5 of the Resolution. In this connexion attention is invited to this Department letter No. 1391-C.S.R., dated the 17th August 1923, according to which an extension of the period of foreign service on or after the 1st January 1922, is treated as a fresh transfer for the purposes of Fundamental Rule 109.

(5) Under Fundamental Rule 116 (as recently amended), the rates of contributions for pension and leave-salary fixed in this Department letters No. 64-E.B., dated the 27th January 1922, and No. F. 81-R.I./24, dated the 4th August 1924, are hereby prescribed as the rates applicable during the period 5th September 1928 to 28th February 1929.

(6) In consequence of the amendment of old Fundamental Rules 116 and 117, the words "Rule 117" in Fundamental Rule 127 should have been altered to "Rule 116" with effect from the 5th September 1928 and steps will be taken to have this amendment made as early as possible. Pending the amendment, the rates of contributions to be levied under Fundamental Rule 127 shall, with effect from the 5th September 1928, be those prescribed under Fundamental Rule 116 (new).

(7) In the case of a temporary Government servant who is transferred to foreign service, it is for the local Government concerned to decide whether or not to recover pension contributions having regard to the probabilities of the Government servant's qualifying for a pension. If it is decided to recover such contributions they

should be calculated, with reference to his length of service in the following manner :—

(*a*) if he is on a time-scale of pay, on the maximum of time-scale ; and

(*b*) if he is on a fixed rate of pay, on that pay

In such cases the recovery of contributions for leave-salary does not present any difficulty, the amounts being calculated on the pay actually drawn in foreign service.

(iii)

Letter from J. SANTOS, Esq., Assistant Secretary to the Government of India, Finance Department, to all Provincial and Minor Local Governments, dated Simla, the 17th June 1929, No. F. 1-XI-R I/29.

[Revised rates of contributions for pension and leave-salary.]

In continuation of this Department Circular letter No. F. I–XI—R I/29, dated the 17th May 1929, I am directed to address you regarding the procedure which should be adopted in applying the revised rates of contributions for pension and leave-salary promulgated in this Department Resolution No F. 81–R I/24, dated the 11th February 1929, to cases falling under Fundamental Rule 127.

2. As regards pension contribution, the Governor-General in Council has decided that, in the case of an officer of one of the Superior Services, the amount to be recovered as contribution should be the average of the rates prescribed in that column of the first table in the Annexure to the Resolution referred to above which relates to the officer. In the case of members of $\frac{\text{Provincial}}{\text{Subordinate}}$ Services, a fraction of the total maximum monthly pay of all the sanctioned posts equal to the average of the percentages laid down in column $\frac{3}{5}$ of the second table in the said Annexure should be levied as contribution.

3. As regards contributions for leave-salary, recoveries should be made by levying the percentages prescribed in the Annexure referred to above on the total sanctioned cost, or, in the case of time-scales of pay on the average cost, of all the posts concerned.

*Order*—No 560, *Finance, dated* 1st *August* 1929.

Recorded.

2. *Points* (4), (5) *and* (6) *in the Government of India letter No. F.-1–XI—R I/29, dated* 17*th May* 1929.—The orders of the Government of India on these points will apply only to the services controlled by the Secretary of State. In respect of Provincial and Subordinate Services and holders of special posts, the orders issued in paragraphs 2 and 3 of G.O. No. 299, Finance, dated 12th April 1929, regarding the date on which the revised rates will take effect will stand.

3 As regards contributions to be levied under Fundamental Rule 127, the procedure laid down in the letter from the Government of India No. F. 1–XI—R I/29, dated 17th June 1929 shall, with effect from the 1st September 1929, be adopted in respect of Provincial and Subordinate Services and holders of special posts.

4. *Point* (7) *in the Government of India letter No. F–1–XI—R I/29, dated* 17*th May* 1929.—Under the existing orders (Note to Fundamental Rule 127) contribution for pension is leviable in respect of temporary establishments also. These orders will continue to be in force. If in any case it is certain that pensionary claims will not arise, application may be made for the waiver under Fundamental Rule 127 (*c*) of the recovery of contribution for pension.

1. *Definitions.*—The several words and expressions to which meanings are assigned in the definition clauses of the Indian Tramways Act, 1886, have in this order the same respective meanings unless there be something in the subject or context repugnant to such construction.

A double rail (2 feet gauge) line with necessary passing places laid between Kulasekarapatnam Port and Manapad, 6 furlongs 19 yards in length.

6. *Date of opening.*—Subject to any extension of time that Government may see fit to grant, the promoters shall open the tramway for public traffic within six months from the date of receipt of this order.

7. *Conditions regarding safety.*—The promoters shall carry out such improvements in the tramway as the Government may, from time to time, consider necessary for the safety of the public.

8. *Rate chargeable.*—The promoters shall not, without the prior sanction of the Government, charge higher rates for traffic than the following —

| | | |
|---|---|---|

| Rate for goods | ... | In truck loads two pies per mound per mile. |
| | | In all smaller loads three pies per mound per mile. |

9. *Number of train services and speed.*—The promoters shall not be required to run on the tramway more trains than the promoters may decide to be sufficient or to run trains except at such times or at such rates of speed as they may consider necessary, provided that if the decision of the promoters in these matters be disputed by the District Board, the dispute shall be referred to the Government, whose decision shall be final. Should the decision of the Government be adverse to the promoters, reasonable time shall be allowed to the promoters to provide such stock as may be necessary for the running of further trains.

10. *Preference to promoters' own traffic.*—Subject to the requirements of the promoters' own traffic, which shall always be given preference, the promoters shall provide sufficient rolling stock, including locomotives, cars and wagons for the efficient working of the tram line, provided that if the arrangements made in these respects by the promoters be considered insufficient by the District Board, the matter shall be referred to the Government whose decision shall be final. Should the decision of the Government be adverse to the promoters, reasonable time shall be allowed to the promoters to provide the stock required.

The President of the North Arcot District Temple Committee reports that the pujaris in possession of the endowments have partitioned the properties and are enjoying them, that puja is not performed in these temples, that no accounts of receipts and disbursements have been maintained, and that the Committee desires that the provisions of the Hindu Religious Endowments Act, 1926 (Act II of 1927) may be extended to these temples so that steps may be taken to appoint trustees who will see to the restoration of the temple properties and to the arrangements for the proper conduct of worship in these temples. In these circumstances, the Board has requested Government to extend to the temples in question all the provisions of the Hindu Religious Endowments Act, 1926 (Act II of 1927) except section 69 (1) relating to the levy of contributions to the Board. ### Bill to be introduced in the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information :—

BILL No. 11 OF 1929.

*A Bill further to amend the Madras Medical Registration Act, 1914, for certain purposes*

Preamble.

WHEREAS it is expedient further to amend the Madras Medical Registration Act, 1914, for the purposes hereinafter appearing; It is hereby enacted as follows :—

Madras Act IV of 1914.

Short title.

1. This Act may be called the Madras Medical Registration (Second Amendment) Act, 1929.

Amendment of section 5 of Madras Act IV of 1914.

2. In sub-section (1) of section 5 of the Madras Medical Registration Act, 1914—

(1) for clause (*b*) the following clauses shall be substituted, namely :—

"(*b*) one member elected by the Faculty of Medicine of the University of Madras;

(*bb*) one member elected by the Faculty of Medicine of the Andhra University"; and

(ii) in clause (*d*)

(*a*) for the words "three members" the words "two members" shall be substituted, and

(*b*) after the words "the University of Madras" at the end, the words "or of the Andhra University" shall be added.

STATEMENT OF OBJECTS AND REASONS.

Under sub-section (1) of section 5 of the Madras Medical Registration Act, 1914 (Madras Act IV of 1914), the University of Madras is represented on the Madras Medical Council by the appointment of (i) one member elected by the Medical Faculty of the Senate, and (ii) three members elected by the registered practitioners who are graduates in medicine of the Madras University. The Andhra University is not represented on the Council as the University came into existence after the passing of the Madras Medical Registration Act, 1914. It is considered desirable that provision should be made for the representation of the Andhra University also on the Madras Medical Council. The proposal is to redistribute the four seats referred to above between the Madras and the Andhra Universities so as to allot one member to the Faculty of Medicine of each of the Universities and two members to the registered practitioners who are graduates in medicine of any of these Universities. The total strength of the Council is not thus affected by the change. The Bill gives effect to this proposal by amending sub-section (1) of section 5 of the Medical Registration Act, 1914 (Madras Act IV of 1914).

Under the Madras University Act, 1923 (Madras Act II of 1923) and the Andhra University Act, 1925 (Madras Act II of 1926), Faculties are of the University and not of the Senate. Every Faculty should be constituted from among the Academic Council. The prescription of the constitution and functions of Faculties by statutes alone vests with the Senate. The present opportunity has therefore been taken to describe the Faculty as "the Faculty of Medicine of the University of Madras" instead of as "the Medical Faculty of the Senate of the University of Madras" occurring in clause (*b*) of sub-section (1) of section 5 of the Madras Medical Registration Act, 1914 (Madras Act IV of 1914).
